Since January 1996

Twas the holidays of the season
 Filled with festivities and good cheer
 And for my loyal newsletter readers
 This means a poetic message from me is near

I set about my annual task
 Without pencil, pen, or quill
 Living in sunny South Florida
 There's not too much winter chill

On adjectives, on adverbs
 I snicker perverse
 Let the rhyming begin
 For better or for worse

I shall recap the year
 With all that I've done
 I will go through the items
 Checking off each one

There's been teaching and consulting
 And new clients added to the list
 New credentials too
 Certified Controls and Microsoft Office Specialist

I traveled great distances
 To help educate and learn
 In a faraway country
 Where I would like to return

My September trip
 Was really quite grand
 Beyond my expectations
 To Krakow, Poland

Hundreds of book sales
 In the United States and overseas
 Over eighty university libraries
 In over one dozen countries

This was quite unexpected
 And something fairly new
 If you did not read it
 A recent book review

 Then before today turns to tonight
